EDUCATION

Indiana University Bloomington – Bloomington, IN. May 2027

Luddy School of Informatics, Computing, and Engineering

Course of Study: *Data Science, Data Systems Specialization*

Notable Coursework: *Linear Algebra, Discrete Structures, Programming*

Evanston Township High School - Evanston, IL May 2023

Notable Coursework: *7 AP Courses, 14 Honors Courses*

Honors: *Distinction Graduate, National Honors Society*

PROFESSIONAL EXPERIENCE

Fizyr B.V. – Delft, The Netherlands (Hybrid) Feb 2024 – Aug 2025

Research & Analysis Intern

- Assessed and reported on competitive risk in the supply chain automation technology sector.
- Supported company executives in B2B dealmaking, partnership coordination, & product marketing at various material handling industry conferences (e.g. MODEX, ProMat).

Valley Lo Club – Glenview, IL (Seasonal) Apr 2022 – Aug 2025

Expeditor and Runner

- Delivered from our kitchen to multiple dining areas, assisted in event setup and takedown, and expedited outgoing orders during weekday à la carte lunch service.

PROJECTS & EXTRACURRICULARS

Luddy School of Informatics – Bloomington, IN Aug 2025 – Present

Undergraduate Researcher – AI for Food Computing

- Developed a framework of DCNN and MLA Transformer models to solve a multi-label computer vision task and conducted experiments on the performance of models (e.g. F1-score, Precision).
- Currently developing the preliminary dataset and experimental methodology for a continuous egocentric video-based dietary assessment framework via 3D representation & nutrition classification for consumer-available Smart Glasses (e.g. Ray Ban Meta Gen2).
- Primary Investigator: Jiangpeng He, PhD.

Alvestor – Evanston, IL (Remote) May 2024 – Present

Founder

- Built and launched Alvestor Edge, an AI-driven SaaS platform for consumer financial analysis, led product development, business development, and go-to-market strategy.

Data Analytics & Research Club – Bloomington, IN Feb 2025 – Present

President & Executive Committee Chair

- Handling both the internal and external operations of the organization including finances, overseeing the Executive Committee, and setting the club's long-term strategic vision.
